(Misty Brusts into even more laughter,Lillie enters the room)

Lillie : "um..Mist..what..what is it?"

Misty(showing everyone the ring,wbich she hid before to give the surprize) : "first this"

Daisy&Lillie(wonder,smile,laugh,hugs Misty) : "my god!..how romantic!"

Misty(giggle) : "tell me about the time"

Daisy(thinking) : "um..(sigh)..i get it"

Lillie(flustered) : "um..yeah he wouldn't shopli..(Misty and Daisy Brusts into laughter)(smile) hey,what..(realizes and laughs)..i see that little brat had it with him all the when he came to do the swearing in at the middle of the night(all Brusts into laughter)"

Misty(laughing) : "and was mobbed while purchasing"

Daisy(flustered) : "um..no Mist keep an eye on him,in too much excitement he's being reckless"

Misty(smile,blush) : "um..as usual"

Daisy(smiles,Lillie smiles too) : "Mist,all these years..then last night... it's just.."

Misty(laugh) : "Pokemon Master"

(Misty and Daisy Brusts into laughter)

Lillie(smiling) : "i wish I was there,though Gary would've

never kept patience.."

Daisy(smile) : "it was just insanely amusing..i can never forget this night"

Misty(laugh) : "and the time"

(both again brusts into laughter)

Lillie(smile,frown) : "hey,you must've woken me up..(laugh)"

Misty(smile) : "Lil i'm sorry,ok? but he was just..he was suffering as much as i was if not more."

Lillie(bit dissapointed) : "um, that's ok but.."

Daisy(patting Lillie,smile) : "Lil,all one needs to do is to understand the number and the contents of hells that she must travel before reaching her beau finally(Misty laughs) (laugh)"

Lillie(surprized) : "yeah,um..but what.."

Misty : "Lil,all he was trying so hard to do was to desperately make himself believe that he has done enough to be kicked out once and for all from everywhere so that now he could just aimlessly roam around the world giving everyone a piece of his mind with his pokemons and fool around with his and all other pokemons all the rest of his life as if himself a pokemon,that's all"

Lillie(flustered) : "yeah,um..strange"

Daisy(smile) : "Lil just let him come here today,i'll fix your meeting(Misty laughs), anyhow why did he turn on poor Trace again(Misty brusts into laughter)Mist,come on(laugh).."

Lillie(bit concerned) : "still Mist, isn't it just too strange.. (Misty laughs and hugs Daisy,tears in joy)"

Daisy(smile) : "Lil,the hells he talked about to Brock and us Infront of his wife and then the last line,that even a recently

turned brat like him was stuttering about(laugh hugs Misty,Misty laughs uncontrollably)"

Lillie(smile) : "Mist,get a hold on yourself sweety"

Mist(laugh) : "it's...it's just..man..(laughs again) "

Daisy(smile) : "Lil,his last line was i don't choose anyone that's not exactly me"

Lillie(smile) : "Ah!that..um..i get it now.."

Misty(smile) : "Lil,all my tears of 5 years or so and all my strains ever all just got laughed away right now,this..this is..."

Daisy(smile,patting Misty) : "I guess sometimes things like that needs to(Misty bursts into laughter again) (surprized,Lillie too) what(laugh)s?"

Lillie(smile) : "Mist,you needed this laugh exactly as your cure and even your first boyfriend Ketchum couldn't do it(laugh)"

Misty(smile,Daisy Laughs) : "well he will argue on this,but Dase(laugh)..um..sorry..he told me some novels yesterday and they same which Trace is being minutely and intricately introduced to now(laugh,Daisy laughs)..out of which one was on the fact that you and your beau are always ever a couple like as if this life itself a play all has stayed like it ever like it was a destiny..then from there came his ultimate point"

Daisy&Lillie(unison,smile) : "go on pretty interesting"

Misty(smile) : "see and its about the very personal life of a couple and he has even broken that barrier among all of us and it was only yesterday afternoon when he was hellbent creating every unimaginably cruel and unsurmountable barrier possible"

Daisy(smile) : "you know that day with Mrs. Ketchum,we kinds always felt a distance since but she also was so cheerful today,we ourselves just laughed it off"(then Daisy leaves the room for some work)

Lillie(smile) : "yeah,um..i feel happy too but i wish i could hear it LIVE"

Misty(laugh) : "all you need to do is to tell him we were destined to each other in a way so that he feels as though your not saying it directly but insinuating..(brusts into laughter)"

Lillie(bit flustered) : "um..i see but..(Misty laughs uncontrollably)(frown) Mist,cut it(smile)"

Misty(laugh) : "Lil,really i need help(hugging Lillie)...the way you are speaking is exactly the right one to insinuate something to him(laugh)"

Lillie(smile,hugging Misty) : "i see.."

Misty(smile) : "seriously Lil,i've been living a dream since we patched up,and you know it doesn't even feel a bit strange to suddenly call him my husband at all,as if the fact i was ever anything but his wife is very strange it feels"

Lillie(smile) : "yeah,we were taken aback when he said that yesterday but i thought he was just stressing upon the word but now i see the little prick really meant it(Misty laughs)"

Misty(smile) : "absolutely,and as i was saying you can't say it was our destiny or we were right or best or perfect at all,which possibly is what he is rigourusly settling with Trace now(laugh)"

Lillie(bit confused): "um..(smile) i see soulmate..always together no matter what..and then he probably extended it to saying all else was like a bad dream not really existent"

Misty(smiles,hugs Lillie) : "exactly"

Lillie(smile,hugs Misty) : "and thats seeing yourself in your spouse and the hellfire(smile,Misty giggles)..and that's exactly about yesterday-Laugh it out(both Giggle)Mist,your beau has turned himself into a Romance Master as well... (both laughs,Misty brusts into laughter)Viol would've ate him up in joy had she been present(Misty brusts into laughter again,Lillie laughs as well)"

(Daisy enters,laughing)

Misty(laugh) : "what?Trace was scared to death?"

(laughes,Lillie smiles)"

Daisy(laugh) : "they'll be here for lunch today(Lillie and Misty giggles and hi-fives)and yeah pretty much,(all laugh)none can say that his flower was never ever not his no matter what(brusts into laughter)"

Lillie(laughes) : "be my guest,Dase start insinuating(all

three again bursts out into laughter)"

Gary(nervously, confused) : "what are you.."

Daisy(laughing) : "so Lil and Gary turned out to be the best fit for each other after all,ain't it Mist?"

Misty(laughing) : "sweet,sweet Dase(all sisters bursts into laughter).."

Gary(flustered) : "what are you three upto?..come on Lil,i have to.."

Lillie(forces Gary to sit down,sitting with him as well) : "just watch it and laugh yesterday out(all sisters laugh)"

Gary(bit shocked) : "um..that.."

Misty(laughing,closed eyes, immitating Ash) : "Dase stop just there,i know what you're thinking Dase i know it,i can feel the vultures,Dase, they're trying,trying so hard to land on a spot(all laugh),they are so ecstatic about there success..Dase..i can feel their joy..i..i can see their eyes,Dase,Dase(all laugh)they are already feeling their impending success,Dase,look how they are caressing the Champaigns..(all three bursts into laughter)"

Gary(laugh) : "what's Ash been upto off late now?"

Daisy(laughing,mocking a sigh) : "fine,they were always to become close.."

Misty(laughes, Mocking Ash's smile) : "so they were to ALWAYS to BECOME close?..Dase this..just this(all laugh)..this is it..(Mocking Ash's frown and language) " the vultures have reached their spot..(Mocking smile)Dase,look at the celebrations..Dase..(all laughs again).."

Gary(laugh) : "come on you, I don't.."

Lillie(smile and stops Gary) : "just enjoy it,let the vultures do you work"(all 3 laughs)

Misty(laugh,mocks Ash's stern look) : "the vultures would insinuate that if they waited a bit more,a bit longer,a bit patiently,a bit meticulously..(all laugh again)..then it Could've been someone else,Could've been someone better, Could've been someone sweeter..(again all laugh)"

Gary(laugh) : "i get it.. Ash's up with his word play again again.."(all four laughs)

Daisy(mock dissapointment,laugh) : "Please let me go..they were like this forever..."

Misty(mocking Ash's anger) : "what did you say?forever? forever?forever only having the trouble to come to each other whereas that itself is no good as the Gym is forever packed during shows(all brusts into laughter)..no don't try to leave,else Ganger will lick you to death..(all brusts into laughter)..(again mocking Ash's anger) all those damn brats that ever had the audacity to challenge Gary's little sweet cherished flower to a gym battle at 4:17 in the morning with a Onix(all brusts into laughter)..must very well know it, understand it,digest it,swallow it, assimilate it(all again brusts into laughter)..that it's not then, it's not now,its not will be, it's not has been,had been,will be,not was,not is..(all again laughs)..but IT IS(all brusts into laughter)..it IS a fact that Gary and Lillie are the same thing appearing to each other and to themselves as a bit different,bit distant,bit amusing,bit charming..(all again laugh)..but they are always EVER the same reality only appearing as different here thus they are in reality ever the same constant ONE(all smile)and no forsaken Vulture or damn Cerulian Mob..(all brusts into laughter).. can EVER do anything about it(all laugh)..."

Gary&Lillie(hugging each other and holding hands,Unison) :
"WE DO"

Ash(looking at Misty, cajoling Misty's head and cheeks and fondles her hairs) : "absolutely Mist, absolutely"

Misty(smile) : "and you really have put the smiles back in increasing it by manifolds"
